PASSION

Caring Campus

Which I's

- Incorporate the concepts and theories from ETS into the initiatives or projects you are currently working on. (Internal)
- Incorporate the concepts and theories from ETS into Skyline College. (Institutional)

Purpose

To create/improve the culture of belonging, caring, and pride at Skyline College by:

- encouraging campus participation in events, programs, and communities.
- engaging students, staff, and faculty through various just and fair communication platforms.

Go Trojans!

Desired Outcomes

- Increased participation in campus events, programs, and communities
- Increased engagement with students
- Increased pride and sense of belonging in students, staff, and faculty
- Increased student retention
- More visibility of Skyline College visuals - colors/graphics/mascot - on campus, online, and in the community
 - Campus Signage
 - Announcements/Social Media
 - Decorations
 - Attire

The Process

- Brainstorm ideas and meet with Allen Ocampo (thank you Allen for your wise counsel!)
- Meet with Caring Campus leadership (thank you to Sherrie Prasad)
- ETS presentation – ideas for Caring Campus to create/improve culture of caring, belonging, and pride at Skyline College
- Expand presentation for Caring Campus
 - Overview Caring Campus progress to date
 - Review the research behind Caring Campus
 - Share the concepts and theories of ETS
 - Connect Caring Campus work to ETS
 - Outline possible ideas for creating/improving culture of caring, belonging, and pride at Skyline College
 - Connect ideas to the return to in person activities while maintaining a robust online presence
- Ask the Caring Campus team which idea(s) they would like to push forward
- Caring Campus leadership team brings selected idea(s) to campus leadership

+ Caring Campus =

Ideas

- LIVE Trojan! At events on campus, community events, virtually, Marketing Work Study job
- Trojan Tables - welcome upon return to campus – information booth, and raffle prizes ongoing throughout the semester. Virtual tables too.
- Incentivize Event Attendance – free tickets, gifts, raffles etc./Emails/texts announcing winners. Online attendance options.
- Trojan Talks – every new student assigned to a staff, faculty, or administration member who emails, calls, messages one to three times in their first semester.
- Trojan Tea – in person and/or online opportunities for programs/departments to “spill the tea” about what is going on in their program/division/department.

Ideas (cont.)

- Hand out tickets to FREE events and workshops on campus – students will feel “invited” to attend
- FREE Student IDs
- Promote what the college is doing to be student ready – create cards/online resources that show all the programs available for different groups of students and the intersectionality of many programs –

BIPOC students Women People with Disabilities System Impacted LGBTQIA2S+ Dreamers/Undocumented students Working Students Students with Children and so on . . .

QUESTIONS? / COMMENTS

The logo for 'FOURTY' is displayed in a stylized, overlapping font. The letters are in shades of red, yellow, and grey. The 'O' is yellow and overlaps the 'U'. The 'F' is red and overlaps the 'I'. The 'T' is grey and overlaps the 'Y'.
