Emilie Hein - I wanted to also be here because I wanted to show support

Jacqueline Escobar - I just wanted to kind of echo what everybody has said. It was just like to see that and an experience that was absolutely shocking and I want to echo what Emily said like that is really like a brave space to be and to just, you know, I think. So I kind of just

wanted to be here and let you know that we are all in solidarity, solidarity with you, all of you, all of my counseling colleagues, and we're here to support you and, you know, whatever decision I don't know the EFT takes or the student council takes but we here are here to support you.
